Subsequently, by act Mar. 3, 1891, ch. 551, § 7, 26 Stat. 1087, the office of the Superintendent of Immigration was created as a permanent immigration agency and he in turn was designated Commissioner General of Immigration under the heading "Bureau of Immigration" by act Mar. 2, 1895, ch. 177, § 1, 28 Stat. 780. Upon the establishment of the Department of Commerce and Labor, the Commissioner General of Immigration and the Bureau of Immigration were transferred to that Department by act Feb. 14, 1903, ch. 552, § 4, 32 Stat. 825 and thereafter were redesignated the Bureau of Immigration and Naturalization by act June 20, 1906, ch. 3592, § 1, 34 Stat. 596. Ex. Ord. Whenever it shall be shown to the satisfaction of the Attorney General that the provisions of this section are persistently violated by or on behalf of any transportation company, it shall be the duty of said Secretary to deny to such company the privilege of landing alien immigrant passengers of any or all classes at United States ports for such a period as in his judgment may be necessary to insure an observance of such provisions. This section shall not be held to prevent transportation companies from issuing letters, circulars, or advertisements, confined strictly to stating the sailing of their vessels and terms and facilities of transportation therein. Under this section and sections 139 and 142 of this title it shall be presumed from the fact that any person, company, partnership, corporation, association, or society induces, assists, encourages, solicits, or invites, or attempts to induce, assist, encourage, solicit, or invite, the importation, migration, or coming of an alien from a country foreign to the United States that the offender had knowledge of such person's alienage. (Feb. 5, 1917, ch. 29, § 8, 39 Stat. 880.)

§ 145. Bringing in aliens subject to disability or afflicted with disease.

It shall be unlawful for any person, including any transportation company other than railway lines entering the United States from foreign contiguous territory, or the owner, master, agent, or consignee of any vessel, to bring to the United States either from a foreign country or any insular possession of the United States any alien afflicted with idiocy, insanity, imbecility, feeble-mindedness, epilepsy, constitutional psychopathic inferiority, chronic alcoholism, tuberculosis in any form, or a loathsome or dangerous contagious disease, and if it shall appear to the satisfaction of the Attorney General that any alien so brought to the United States was afflicted with any of the said diseases or disabilities at the time of foreign embarkation, and that the existence of such disease or disability might have been detected by means of a competent medical examination at such time, such person or transportation company, or the master, agent, owner, or consignee of any such vessel, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of $1,000, and in addition a sum equal to that paid by such alien for his transportation from the initial point of departure, indicated in his ticket, to the port of arrival, for each and every violation of the provisions of this section, such latter sum to be delivered by the collector of customs to the alien on whose account assessed. It shall also be unlawful for any such person to bring to any port of the United States any alien afflicted with any mental defect other than those above specifically named, or physical defect of a nature which may affect his ability to earn a living, as contemplated in section 136 of this title, and if it shall appear to the satisfaction of the Attorney General that any alien so brought to the United States was so afflicted at the time of foreign embarkation, and that the existence of such mental or physical defect might have been detected by means of a competent medical examination at such

time such person shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of $250, and in addition a sum equal to that paid by such alien for his transportation from the initial point of departure, indicated in his ticket, to the port of arrival, for each and every violation of this provision, such latter sum to be delivered by the collector of customs to the alien for whose account assessed. It shall also be unlawful for any such person to bring to any port of the United States any alien who is excluded by the provisions of said section 136 because unable to read, or who is excluded by its terms as a native of that portion of the Continent of Asia and the islands adjacent thereto described in said section, and if it shall appear to the satisfaction of the Attorney General that these disabilities might have been detected by the exercise of reasonable precaution prior to the departure of such aliens from a foreign port, such person shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of $1,000, and in addition a sum equal to that paid by such alien for his transportation from the initial point of departure, indicated in his ticket, to the port of arrival, for each and every violation of this provision, such latter sum to be delivered by the collector of customs to the alien on whose account assessed.

If a fine is imposed under this section for the bringing of an alien to the United States, and if such alien is accompanied by another alien who is excluded from admission by the last proviso of section 154 of this title, the person liable for such fine shall pay to the collector of customs, in addition to such fine but as a part thereof, a sum equal to that paid by such accompanying alien for his transportation from his initial point of departure indicated in his ticket, to the point of arrival, such sum to be delivered by the collector of customs to the accompanying alien when deported. No vessel shall be granted clearance papers pending the determination of the question of the liability to the payment of such fines, or while the fines remain unpaid, nor shall such fines be remitted or refunded; but clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fines or of a bond with sufficient surety to secure the payment thereof, approved by the collector of customs. Nothing contained in this section shall be construed to subject transportation companies to a fine for bringing to ports of the United States aliens who are by any of the provisions or exceptions to section 136 of this title exempted from the excluding provisions of said section. (Feb. 5, 1917, ch. 29, § 9, 39 Stat. 880; May 26, 1924, ch. 190, § 26, 43 Stat. 166; Reorg. Plan No. V, eff. June 14, 1940, 5 Fed. Reg. 2423, 54 Stat. 1238.)

§ 146. Prevention of unauthorized landing of aliens; prima facie proof of landing.

(a) It shall be the duty of every person, including owners, masters, officers, and agents of vessels of transportation lines, or international bridges or toll roads, other than railway lines which may enter into a contract as provided in section 102 of this title, bringing an alien to, or providing a means for an alien to come to, the United States, to prevent the landing of such alien in the United States at any time or place other than as designated by the immigration officers. Any such person, owner, master, officer, or agent who fails to comply with the foregoing requirements shall be guilty of a misdemeanor and on conviction thereof shall be punished by a fine in each case of not less than $200 nor more than $1,000, or by imprisonment for a term not exceeding one year, or by both such fine and imprisonment; or, if in the opinion of the Attorney General, it is impracticable or inconvenient to prosecute the person, owner, master, officer, or agent of any such vessel, such person, owner, master, officer, or agent shall be liable to a penalty of $1,000, which shall be a lien upon the vessel whose owner, master, officer, or agent violates the provisions of this section, and such vessel shall be libeled therefor in the appropriate United States court.

(b) Proof that the alien failed to present himself at the time and place designated by the immigration officers shall be prima facie evidence that such alien has landed in the United States at a time or place other than as designated by the immigration officers. (Feb. 5, 1917, ch. 29, § 10, 39 Stat. 881; May 26, 1924, ch. 190, § 27, 43 Stat. 167; Reorg. Plan No. V, eff. June 14, 1940, 5 Fed. Reg. 2423, 54 Stat. 1238.)

§ 147. Detention of aliens for observation and examination; inspectors to report condition of vessels.

For the purpose of determining whether aliens arriving at ports of the United States belong to any of the classes excluded, either by reason of being afflicted with any of the diseases or mental or physical defects or disabilities mentioned in section 136 of this title, or otherwise, or whenever the Attorney General has received information showing that any aliens are coming from a country or have embarked at a place where any of said diseases are prevalent or epidemic, the Commissioner of Immigration and Naturalization, with the approval of the Attorney General, may direct that such aliens shall be detained on board the vessel bringing them, or in a United States immigration station at the expense of such vessel, as circumstances may require or justify, a sufficient time to enable the immigration officers and medical officers stationed at such ports to subject aliens to an observation and examination sufficient to determine whether or not they belong to the said excluded classes by reason of being afflicted in the manner indicated. In order to avoid undue delay in landing passengers or interference with commerce, the Commissioner of Immigration and Naturalization may, with the approval of the Attorney General, issue such regulations, not inconsistent with law, as may be deemed necessary to effect the purposes of this section. It shall be the duty of immigrant inspectors to report to the Commissioner of Immigration and Naturalization the condition of all vessels bringing aliens to United States ports. (Feb. 5, 1917, ch. 29, § 11, 39 Stat. 881; Ex. Ord. No. 6166, § 14, June 10, 1933; Reorg. Plan No. V, eff. June 14, 1940, 5 Fed. Reg. 2423, 54 Stat. 1238.)

§ 148. Lists of alien passengers arriving or departing; record of resident aliens and citizens leaving for foreign country.

It shall further be the duty of the master or commanding officer of every vessel taking passengers from any port of the United States on the North American Continent to a foreign port or a port of the Philippine Islands, Guam, Puerto Rico, or Hawaii, or from any port of the said insular possessions to any foreign port, to a port of the United States on the North American Continent, or to a port of another insular possession of the United States to file with the immigration officials before departure a list which shall contain full and accurate information in relation to the following matters regarding all alien passengers, and all citizens of the United States or insular possessions of the United States departing with the stated intent to reside permanently in a foreign country, taken on board: Name, age, and sex; whether married or single; calling or occupation; whether able to read or write; nationality; country of birth; country of which citizen or subject; race; last permanent residence in the United States or insular possessions thereof; if a citizen of the United States or of the insular possessions thereof, whether native born or naturalized; if, native born, the place and date of birth, or if naturalized the city or town in which naturalization has been had; intended future permanent residence; and time and port of last arrival in the United States, or insular possessions thereof; and such master or commanding officer shall also furnish information in relation to the sex, age, class of travel, and port of debarkation of the United States citizens departing who do not intend to reside permanently in a foreign country, and no master of any such vessel shall be granted clearance papers for his vessel until he has deposited such list or lists with the immigration officials at the port of departure and made oath that they are full and complete as to the name and other information herein required concerning each person of the classes specified taken on board his vessel; and any neglect or omission to comply with the requirements of this section shall be punishable as provided in section 150 of this title. In the case of vessels making regular trips to ports of the United States the Commissioner of Immigration and Naturalization, with the approval of the Attorney General, may, when expedient, arrange for the delivery of such lists of outgoing aliens at a later date. It shall be the duty of immigration officials to record the following information regarding every resident alien and citizen leaving the United States by way of the Canadian or Mexican borders for permanent residence in a foreign country: Name, age, and sex; whether married or single; calling or occupation; whether able to read or write; nationality; country of birth; country of which citizen or subject; race; last permanent residence in the United States; intended future permanent residence; and time and port of last arrival in the United States; and if a United States citizen, whether native born or naturalized. 17, 1932, ch. 190, 47 Stat. 158; Ex. Ord. No. 6166, § 14, June 10, 1933; Reorg. Plan No. V, eff. June 14, 1940, 5 Fed. Reg. 2423, 54 Stat. 1238.)

§ 149. Grouping of alien passengers in lists; identification tickets.

All aliens arriving by water at the ports of the United States shall be listed in convenient groups, the names of those coming from the same locality to be assembled so far as practicable, and no one list or manifest shall contain more than thirty names. To each alien or head of a family shall be given a ticket on which shall be written his name, a number or letter designating the list in which his name, and other items of information required by law, are contained, and his number on said list, for convenience of identification on arrival. Each list or manifest shall be verified by the signature and the oath or affirmation of the master or commanding officer, or the first or second below him in command, taken before an immigration officer at the port of arrival, to the effect that he has caused the surgeon of said vessel sailing therewith to make a physical and mental examination of each of said aliens, and that from the report of said surgeon and from his own investigation he believes that no one of said aliens is of any of the classes excluded from admission into the United States under section 136 of this title, and that also according to the best of his knowledge and belief the information in said lists or manifests concerning each of said aliens named therein is correct and true in every respect. The surgeon of said vessel sailing therewith shall also sign each of said lists or manifests and make oath or affirmation in like manner before an immigration officer at the port of arrival, stating his professional experience and qualifications as a physician and surgeon, and that he has made a personal examination of each of the said aliens named therein, and that the said list or manifest, according to the best of his knowledge and belief, is full, correct, and true in all particulars relative to the mental and physical condition of said aliens. If no surgeon sails with any vessel bringing aliens, the mental and physical examinations and the verifications of the lists or manifests shall be made by some competent surgeon employed by the owners of the said vessels, and the manifests shall be verified by such surgeon before a United States consular officer or other officer authorized to administer oaths. If any changes in the condition of such aliens occur or develop during the voyage of the vessel on which they are traveling, such changes shall be noted on the manifest before the verification thereof. (Feb. 5, 1917, ch. 29, § 13, 39 Stat. 884.)

§ 150. Refusal or failure to furnish lists of alien passengers.

It shall be unlawful for the master or commanding officer of any vessel bringing aliens into or carrying aliens out of the United States to refuse or fail to deliver to the immigration officials the accurate and full manifests or statements or information regarding all aliens on board or taken on board such vessel required by this chapter, and if it shall appear to the satisfaction of the Attorney General that there has been such a refusal or failure, or that the lists delivered are not accurate and full, such master or commanding officer shall pay to the collector of customs at the port of arrival or departure the sum of $10 for each alien concerning whom such accurate and full manifest or statement or information is not furnished, or concerning whom the manifest or statement or information is not prepared and sworn to as prescribed by this chapter. No vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, or while it remains unpaid, nor shall such fine be remitted or refunded; but clearance may be granted prior to the determination of such question upon the deposit with the collector of customs of a sum sufficient to cover such fine. (Feb. 5, 1917, ch. 29, § 14, 39 Stat. 884; Reorg. Plan No. V, eff. June 14, 1940, 5 Fed. Reg. 2423, 54 Stat. 1238.)

§ 151. Inspection of alien passengers on arrival; temporary removal for examination.

Upon the arrival at a port of the United States of any vessel bringing aliens it shall be the duty of the proper immigration officials to go or to send competent assistants to the vessel and there inspect all such aliens, or said immigration officials may order a temporary removal of such aliens for examination at a designated time and place, but such temporary removal shall not be considered a landing, nor shall it relieve vessels, the transportation lines, masters, agents, owners, or consignees of the vessel upon which said aliens are brought to any port of the United States from any of the obligations which, in case such aliens remain on board, would under the provisions of this subchapter bind the said vessels, transportation lines, masters, agents, owners, or consignees. Where removal is made to premises owned or controlled by the United States, said vessels, transportation lines, masters, agents, owners, or consignees, and each of them shall, so long as detention there lasts, be relieved of responsibility for the safe-keeping of such aliens. Whenever a temporary removal of aliens is made the vessels or transportation lines which brought them and the masters, owners, agents, and consignees of the vessel upon which they arrive shall pay all expenses of such removal and all expenses arising during subsequent detention, pending decision on the aliens' eligibility to enter the United States and until they are either allowed to land or returned to the care of the line or to the vessel which brought them, such expenses to include those of maintenance, medical treatment in hospital or elsewhere, burial in the event of death, and transfer to the vessel in the event of deportation, excepting only where they arise under the terms of any of the provisos of section 154 of this title. Any refusal or failure to

comply with the provisions hereof shall be punished in the manner specified in that section. (Feb. 5, 1917, ch. 29, § 15, 39 Stat. 885.)

§ 152. Physical and mental examination of alien passengers; regulations.

The physical and mental examination of all arriving aliens shall be made by medical officers of the United States Public Health Service who shall have had at least two years' experience in the practice of their profession since receiving the degree of doctor of medicine, and who shall conduct all medical examinations and shall certify, for the information of the immigration officers and the boards of special inquiry hereinafter provided for, any and all physical and mental defects or diseases observed by said medical officers in any such alien; or, should medical officers of the United States Public Health Service be not available, civil surgeons of not less than four years' professional experience may be employed in such emergency for such service upon such terms as may be prescribed by the Commissioner of Immigration and Naturalization, under the direction or with the approval of the Attorney General. All aliens arriving at ports of the United States shall be examined by not less than two such medical officers at the discretion of the Attorney General, and under such administrative regulations as he may prescribe and under medical regulations prepared by the Surgeon General of the United States Public Health Service. Medical officers of the United States Public Health Service who have had especial training in the diagnosis of insanity and mental defects shall be detailed for duty or employed at all ports of entry designated by the Attorney General, and such medical officers shall be provided with suitable facilities for the detention and examination of all arriving aliens in whom insanity or mental defect is suspected, and the services of interpreters shall be provided for such examination. Any alien certified for insanity or mental defect may appeal to the board of medical officers of the United States Public Health Service, which shall be convened by the Surgeon General of the United States Public Health Service, and said alien may introduce before such board one expert medical witness at his own cost and expense. The inspection, other than the physical and mental examination, of aliens, including those seeking admission or readmission to or the privilege of passing through or residing in the United States, and the examination of aliens arrested within the United States under this section, shall be conducted by immigrant inspectors, except as hereinafter provided in regard to boards of special inquiry. All aliens arriving at ports of the United States shall be examined by at least two immigrant inspectors at the discretion of the Attorney General and under such regulations as he may prescribe. Immigrant inspectors are hereby authorized and empowered to board and search for aliens any vessel, railway car, or any other conveyance, or vehicle in which they believe aliens are being brought into the United States. Said inspectors shall have power to administer oaths and to take and consider evidence touching the right of any alien to enter, reenter, pass through, or reside in the United States, and, where such action may be necessary, to make a written record of such evidence; and any person to whom such an oath has been administered, under the provisions of this chapter, who shall knowingly or willfully give false evidence or swear to any false statement in any way affecting or in relation to the right of any alien to admission, or readmission to, or to pass through, or to reside in the United States shall be deemed guilty of perjury and be punished as provided by section 231 of Title 18. All aliens coming to the United States shall be required to state under oath the purposes for which they come, the length of time they intend to remain in the United States, whether or not they intend to abide in the United States permanently and become citizens thereof, and such other items of information regarding themselves as will aid the immigration officials in determining whether they belong to any of the excluded classes enumerated in section 136 of this title. Any district director of immigration and naturalization designated by the Commissioner or any inspector in charge shall also have power to require by subpoena the attendance and testimony of witnesses before said inspectors and the production of books, papers, and documents touching the right of any alien to enter, reenter, reside in, or pass through the United States, and to that end may invoke the aid of any court of the United States; and any district court within the jurisdiction of which investigations are being conducted by an immigrant inspector may, in the event of neglect or refusal to respond to a subpoena issued by any such district director or inspector in charge or refusal to testify before said immigrant inspector, issue an order requiring such person to appear before said immigrant inspector, produce books, papers, and documents if demanded, and testify; and any failure to obey such order of the court may be punished by the court as a contempt thereof. Any person, including employees, officials, or agents of transportation companies, who shall assault, resist, prevent, impede, or interfere with any immigration official or employee in the performance of his duty under this chapter shall be deemed guilty of a misdemeanor, and on conviction thereof shall be punished by imprisonment for a term of not more than one year, or by a fine of not more than $2,000, or both; and any person who shall use any deadly or dangerous weapon in resisting any immigration official or employee in the performance of his duty shall be deemed guilty of a felony and shall, on conviction thereof, be punished by imprisonment for not more than ten years. Every alien who may not appear to the examining immigrant inspector at the port of arrival to be clearly and beyond a doubt entitled to land shall be detained for examination in relation thereto by a board of special inquiry. In the event of rejection by the board of special inquiry, in all cases where an appeal to the Attorney General is permitted by this chapter, the alien shall be so informed and shall have the right to be represented by counsel or other adviser on such appeal. The decision of an immigrant inspector, if favorable to the admission of any alien, shall be subject to challenge by any other immigrant inspector, and such challenge shall operate to take the alien whose right to land is so challenged before a board of special inquiry for its investigation. "District director of immigration" referred to in text, originally read "commissioner of immigration." Reorganization Plan No. III, cited to text, abolished the commissioners of immigration at the ports and transferred their functions to "such district directors of immigration and naturalization as the Commissioner may designate."

§ 153. Boards of special inquiry; appointment.

Boards of special inquiry shall be appointed by either the district director of immigration and naturalization designated by the Commissioner or by the inspector in charge at the various ports of arrival as may be necessary for the prompt determination of all cases of immigrants detained at such ports under the provisions of the law. Each board shall consist of three members, who shall be selected from such of the immigrant officials in the service as the Commissioner of Immigration and Naturalization, with the approval of the Attorney General, shall from time to time designate as qualified to serve on such boards. When in the opinion of the Attorney General the maintenance of a permanent board of special inquiry for service at any sea or land border port is not warranted, regularly constituted boards may be detailed from other stations for temporary service at such port, or, if that be impracticable, the Attorney General shall authorize the creation of boards of special inquiry by the immigration and naturalization officials in charge at such ports, and shall determine what Government officials or other persons shall be eligible for service on such boards. Such boards shall have authority to determine whether an alien who has been duly held shall be allowed to land or shall be deported. All hearings before such boards shall be separate and apart from the public, but the immigrant may have one friend or relative present under such regulations as may be prescribed by the Attorney General. Such boards shall keep a complete permanent record of their proceedings and of all such testimony as may be produced before them; and the decisions of any two members of the board shall prevail, but either the alien or any dissenting member of the said board may appeal through the district director of immigration and naturalization at the port of arrival and the Commissioner of Immigration and Naturalization to the Attorney General, and the taking of such appeal shall operate to stay any action in regard to the final disposal of any alien whose case is so appealed until the receipt by the district director of immigration and naturalization at the port of arrival of such decision which shall be rendered solely upon the evidence adduced before the board of special inquiry. In every case where an alien is excluded from admission into the United States, under any law or treaty now existing or hereafter made, the decision of a board of special inquiry adverse to the admission of such alien shall be final, unless reversed on appeal to the Attorney General. The decision of a board of special inquiry shall be based upon the certificate of the examining medical officer and, except as provided in section 158 of this title, shall be final as to the rejection of aliens affected with tuberculosis in any form or with a loathsome or dangerous contagious disease, or with any mental or physical disability which would bring such aliens within any of the classes excluded from admission to the United States under section 136 of this title. § 154. Immediate deportation of aliens brought in in violation of law; cost of maintenance and return.

All aliens brought to this country in violation of law shall be immediately sent back, in accommodations of the same class in which they arrived, to the country whence they respectively came, on the vessels bringing them, unless in the opinion of the Attorney General immediate deportation is not practicable or proper. The cost of their maintenance while on land, as well as the expense of the return of such aliens, shall be borne by the owner or owners of the vessels on which they respectively came. It shall be unlawful for any master, purser, person in charge, agent, owner, or consignee of any such vessel to refuse to receive back on board thereof, or on board of any other vessel owned or operated by the same interests, such aliens; or to fail to detain them thereon; or to refuse or fail to return them in the manner aforesaid to the foreign port from which they came; or to fail to pay the cost of their maintenance while on land; or to make any charge for the return of any such alien, or to take any security for the payment of such charge; or to take any consideration to be returned in case the alien is landed; or knowingly to bring to the United States any alien excluded or arrested and deported under any provision of law until such time as such alien may be lawfully entitled to reapply for admission to the United States; and if it shall appear to the satisfaction of the Attorney General that such master, purser, person in charge, agent, owner, or consignee has violated any of the foregoing provisions, or any of the provisions of section 151 of this title, such master, purser, person in charge, agent, owner, or consignee shall pay to the collector of customs of the district in which the port of arrival is located, or in which any vessel of the line may be found, the sum of $300 for each and every violation of any provision of said sections; and no vessel shall have clearance from any port of the United States while any such fine is unpaid, nor shall such fine be remitted or refunded: *Provided*, That clearance may be granted prior to the determination of such question upon the deposit with the collector of customs of a sum

sufficient to cover such fine. If the vessel by which any alien ordered deported came has left the United States and it is impracticable for any reason to deport the alien within a reasonable time by another vessel owned by the same interests, the cost of deportation may be paid by the Government and recovered by civil suit from any agent, owner, or consignee of the vessel: *Provided further*, That the Commissioner of Immigration and Naturalization, with the approval of the Attorney General, may suspend, upon conditions to be prescribed by the Commissioner of Immigration and Naturalization, the deportation of any aliens found to have come in violation of any provision of this chapter if, in his judgment, the testimony of such alien is necessary on behalf of the United States Government in the prosecution of offenders against any provision of this chapter or other laws of the United States; and the cost of maintenance of any person so detained resulting from such suspension of deportation, and a witness fee in the sum of $1 per day for each day such person is so detained, may be paid from the appropriation for the enforcement of this chapter, or such alien may be released under bond, in the penalty of not less than $500, with security approved by the Attorney General, conditioned that such alien shall be produced when required as a witness and for deportation. No alien certified, as provided in section 152 of this title, to be suffering from tuberculosis in any form, or from a loathsome or dangerous contagious disease other than one of quarantinable nature, shall be permitted to land for medical treatment thereof in any hospital in the United States, unless the Attorney General is satisfied that to refuse treatment would be inhumane or cause unusual hardship or suffering, in which case the alien shall be treated in the hospital under the supervision of the immigration officials at the expense of the vessel transporting him: *Provided further*, That upon the certificate of an examining medical officer to the effect that the health or safety of an insane alien would be unduly imperiled by immediate deportation, such alien may, at the expense of the appropriation for the enforcement of the laws regulating immigration of aliens into the United States, be held for treatment until such time as such alien may, in the opinion of such medical officer, be safely deported: *Provided further*, That upon the certificate of an examining medical officer to the effect that a rejected alien is helpless from sickness, mental or physical disability, or infancy, if such alien is accompanied by another alien whose protection or guardianship is required by such rejected alien, such accompanying alien may also be excluded, and the master, agent, owner, or consignee of the vessel in which such alien and accompanying alien are brought shall be required to return said alien and accompanying alien in the same manner as vessels are required to return other rejected aliens. § 155. Deportation of undesirable aliens generally.

(a) At any time within five years after entry, any alien who at the time of entry was a member of one or more of the classes excluded by law; any alien who shall have entered or who shall be found in the United States in violation of this chapter, or in violation of any other law of the United States; any alien who at any time after entry shall be found advocating or teaching the unlawful destruction of property, or advocating or teaching anarchy, or the overthrow by force or violence of the Government of the United States or of all forms of law or the assassination of public officials; any alien who within five years after entry becomes a public charge from causes not affirmatively shown to have arisen subsequent to landing; except as hereinafter provided, any alien who, after May 1, 1917, is sentenced to imprisonment for a term of one year or more because of conviction in this country of a crime involving moral turpitude, committed within five years after the entry of the alien to the United States, or who is sentenced more than once to such a term of imprisonment because of conviction in this country of any crime involving moral turpitude, committed at any time after entry; any alien who shall be found an inmate of or connected with the management of a house of prostitution or practicing prostitution after such alien shall have entered the United States, or who shall receive, share in, or derive benefit from any part of the earnings of any prostitute; any alien who manages or is employed by, in, or in connection with any house of prostitution or music or dance hall or other place of amusement or resort habitually frequented by prostitutes, or where prostitutes gather, or who in any way assists any prostitute or protects or promises to protect from arrest any prostitute; any alien who shall import or attempt to import any person for the purpose of prostitution or for any other immoral purpose; any alien who, after being excluded and deported or arrested and deported as a prostitute, or as a procurer, or as having been connected with the business of prostitution or importation for prostitution or other immoral purposes in any of the ways hereinbefore specified, shall return to and enter the United States; any alien convicted and imprisoned for a violation of any of the provisions of section 138 of this title; any alien who was convicted, or who admits the commission, prior to entry, of a felony or other crime or misdemeanor involving moral turpitude; at any time within three years after entry, any alien who shall have entered the United States by water at any time or place other than as designated by immigration officials, or by land at any place other than one designated as a port of entry for aliens by the Commissioner of Immigration and Naturalization, or at any time not designated by immigration officials, or who enters without inspection, shall, upon the warrant of the Attorney General, be taken into custody and deported. The marriage to

an American citizen of a female of the sexually immoral classes the exclusion or deportation of which is prescribed by this chapter shall not invest such female with United States citizenship if the marriage of such alien female shall be solemnized after her arrest or after the commission of acts which make her liable to deportation under this chapter. The provision of this section respecting the deportation of aliens convicted of a crime involving moral turpitude shall not apply to one who has been pardoned, nor shall such deportation be made or directed if the court, or judge thereof, sentencing such alien for such crime shall, at the time of imposing judgment or passing sentence or within thirty days thereafter, due notice having first been given to representatives of the State, make a recommendation to the Attorney General that such alien shall not be deported in pursuance of this chapter; nor shall any alien convicted as aforesaid be deported until after the termination of his imprisonment. The provisions of this section, with the exceptions hereinbefore noted, shall be applicable to the classes of aliens therein mentioned irrespective of the time of their entry into the United States; and shall also apply to the cases of aliens who come to the mainland of the United States from the insular possessions thereof. Any person who shall be arrested under the provisions of this section, on the ground that he has entered or been found in the United States in violation of any other law thereof which imposes on such person the burden of proving his right to enter or remain, and who shall fail to establish the existence of the right claimed, shall be deported to the place specified in such other law. In every case where any person is ordered deported from the United States under the provisions of this chapter, or of any law or treaty, the decision of the Attorney General shall be final.

(b) Any alien of any of the classes specified in this subsection, in addition to aliens who are deportable under other provisions of law, shall, upon warrant of the Attorney General, be taken into custody and deported:

(1) Any alien who, at any time within five years after entry, shall have, knowingly and for gain, encouraged, induced, assisted, abetted, or aided any other alien to enter or to try to enter the United States in violation of law.

(2) Any alien who, at any time after entry, shall have on more than one occasion, knowingly and for gain, encouraged, induced, assisted, abetted, or aided any other alien or aliens to enter or to try to enter the United States in violation of law.

(3) Any alien who, at any time after entry, shall have been convicted of possessing or carrying in violation of any law any weapon which shoots or is designed to shoot automatically or semiautomatically more than one shot without manual reloading, by a single function of the trigger, or a weapon commonly called a sawed-off shotgun.

(4) Any alien who, at any time within five years after entry, shall have been convicted of violating the provisions of sections 9–13 of Title 18.

(5) Any alien who, at any time after entry, shall have been convicted more than once of violating the provisions of sections 9–13 of Title 18.

No alien who is deportable under the provisions of paragraph (3), (4), or (5) of this subsection shall be deported until the termination of his imprisonment or the entry of an order releasing him on probation or parole.

(c) In the case of any alien (other than one to whom subsection (d) is applicable) who is deportable under any law of the United States and who has proved good moral character for the preceding five years, the Attorney General may (1) permit such alien to depart the United States to any country of his choice at his own expense, in lieu of deportation, or (2) suspend deportation of such alien if not racially inadmissible or ineligible to naturalization in the United States if he finds that such deportation would result in serious economic detriment to a citizen or legally resident alien who is the spouse, parent, or minor child of such deportable alien. If the deportation of any alien is suspended under the provisions of this subsection for more than six months, all of the facts and pertinent provisions of law in the case shall be reported to the Congress within ten days after the beginning of its next regular session, with the reasons for such suspension. The Clerk of the House shall have such report printed as a public document. If during that session the two Houses pass a concurrent resolution stating in substance that the Congress does not favor the suspension of such deportation, the Attorney General shall thereupon deport such alien in the manner provided by law. If during that session the two Houses do not pass such a resolution, the Attorney General shall cancel deportation proceedings upon the termination of such session, except that such proceedings shall not be canceled in the case of any alien who was not legally admitted for permanent residence at the time of his last entry into the United States, unless such alien pays to the Commissioner of Immigration and Naturalization a fee of $18 (which fee shall be deposited in the Treasury of the United States as miscellaneous receipts). Upon the cancelation of such proceedings in any case in which such fee has been paid, the Commissioner shall record the alien's admission for permanent residence as of the date of his last entry into the United States and the Secretary of State shall, if the alien was a quota immigrant at the time of entry and was not charged to the appropriate quota, reduce by one the immigration quota of the country of the alien's nationality as defined in section 212 of this title, for the fiscal year then current or next following.

(d) The provisions of subsection (c) shall not be applicable in the case of any alien who is deportable under (1) section 137 of this title; (2) section 175 of Title 21; (3) section 156a of this title; (4) any of the provisions of so much of subsection (a) of this section as relates to criminals, prostitutes, procurers, or other immoral persons, the mentally and physically deficient, anarchists, and similar classes; or (5) subsection (b) of this section. § 156. Ports to which aliens to be deported; cost of deportation.

The deportation of aliens provided for in this chapter shall, at the option of the Attorney General, be to the country whence they came or to the foreign port at which such aliens embarked for the United States; or, if such embarkation was for foreign contiguous territory, to the foreign port at which they embarked for such territory; or, if such aliens entered foreign contiguous territory from the United States and later entered the United States, or, if such aliens are held by the country from which they entered the United States not to be subjects or citizens of such country, and such country refuses to permit their reentry, or imposes any condition upon permitting reentry, then to the country of which such aliens are subjects or citizens, or to the country in which they resided prior to entering the country from which they entered the United States. If deportation proceedings are instituted at any time within five years after the entry of the alien, such deportation, including one-half of the entire cost of removal to the port of deportation, shall be at the expense of the contractor, procurer, or other person by whom the alien was unlawfully induced to enter the United States, or, if that can not be done, then the cost of removal to the port of deportation shall be at the expense of the appropriation for the enforcement of the laws regulating immigration of aliens into the United States, and the deportation from such port shall be at the expense of the owner or owners of such vessels or transportation line by which such aliens respectively came, or, if that is not practicable, at the expense of the appropriation for the enforcement of the laws regulating immigration of aliens into the United States. If deportation proceedings are instituted later than five years after the entry of the alien, or, if the deportation is made by reason of causes arising subsequent to entry, the cost thereof shall be payable from said appropriation. A failure or refusal on the part of the masters, agents, owners, or consignees of vessels to comply with the order of the Attorney General to take on board, guard safely, and transport to the destination specified any alien ordered to be deported under the provisions of this chapter shall be punished by the imposition of the penalties prescribed in section 154 of this title. When in the opinion of the Attorney General the mental or physical condition of such alien is such as to require personal care and attendance, the Attorney General shall when necessary employ a suitable person for that purpose, who shall accompany such alien to his or her final destination, and the expense incident to such service shall be defrayed in the same manner as the expense of deporting the accompanied alien is defrayed. Pending the final disposal of the case of any alien so taken into custody, he may be released under a bond in the penalty of not less than $500 with security approved by the Attorney General, conditioned that such alien shall be produced when required for a hearing or hearings in regard to the charge upon which he has been taken into custody, and for deportation if he shall be found to be unlawfully within the United States. (h) Section 6 of Title 18;

(2) All aliens who have been or may hereafter be convicted of any offense against section 25 of Title 18 committed during the period of August 1, 1914, to April 6, 1917, or of a conspiracy occurring within said period to commit an offense under said section 25, or of any offense committed during said period against sections 1–7, and 15 of Title 15, in aid of a belligerent in the World War. In every case in which any such alien is ordered expelled or excluded from the United States under the provisions of this section the decision of the Attorney General shall be final. All persons who shall be expelled under any of the provisions of this section shall be excluded from readmission into the United States. (May 10, 1920, ch. 174, §§ 1–3, 41 Stat. 593, 594; Reorg. Plan No. V, eff. June 14, 1940, 5 Fed. Reg. 2423, 54 Stat. 1238.)

§ 158. Admission of aliens liable to be excluded on giving bond or cash deposit.

Any alien liable to be excluded because likely to become a public charge or because of physical disability other than tuberculosis in any form or a loathsome or dangerous contagious disease may, if otherwise admissible, nevertheless be admitted in the discretion of the Attorney General upon the giving of a suitable and proper bond or undertaking, approved by said Attorney General, in such amount and containing such conditions as he may prescribe, to the United States and to all States, Territories, counties, towns, municipalities, and districts thereof, holding the United States and all States, Territories, counties, towns, municipalities, and districts thereof harmless against such alien becoming a public charge. In lieu of such bond, such alien may deposit in cash with the Attorney General such amount as the Attorney General may require, which amount shall be deposited by him in the United States Postal Savings Bank, a receipt therefor to be given the person furnishing said sum, showing the fact and object of its receipt and such other information as said Attorney General may deem advisable. All accruing interest on said deposit during the time same shall be held in the United States Postal Savings Bank shall be paid to the person furnishing the sum for deposit. In the event of such alien becoming a public charge, the Attorney General shall dispose of said deposit in the same manner as if same had been collected under a bond as provided in this section. In the event of the permanent departure from the United States, the naturalization, or the death of such alien, the said sum shall be returned to the person by whom furnished, or to his legal representatives. The admission of such alien shall be a consideration for the giving of such bond, undertaking, or cash deposit. Suit may be brought thereon in the name and by the proper law officers either of the United States Government or of any State, Territory, district, county, town, or municipality in which such alien becomes a public charge. (Feb. 5, 1917, ch. 29, § 21, 39 Stat. 891; Reorg. Plan No. V, eff. June 14, 1940, 5 Fed. Reg. 2423, 54 Stat. 1238.)

§ 159. Temporary detention and admission or deportation, in case of contagious disorder, of wife or minor child of naturalized alien or resident alien.

Whenever an alien shall have been naturalized or shall have taken up his permanent residence in this country, and thereafter shall send for his wife or minor children to join him, and said wife or any of said minor children shall be found to be affected with any contagious disorder, such wife or minor children shall be held, under such regulations as the Attorney General shall prescribe, until it shall be determined whether the disorder will be easily curable or whether they can be permitted to land without danger to other persons; and they shall not be either admitted or deported until such facts have been ascertained; and if it shall be determined that the disorder is easily curable and the husband or father or other responsible person is willing to bear the expense of the treatment, they may be accorded treatment in hospital until cured and then be admitted, or if it shall be determined that they can be permitted to land without danger to other persons, they may, if otherwise admissible, thereupon be admitted. If the person sending for wife or minor children is naturalized, a wife to whom married or a minor child born subsequent to such husband or father's naturalization shall be admitted without detention for treatment in hospital, and with respect to a wife to whom married or a minor child born prior to such husband or father's naturalization the provisions of this section shall be observed, even though such person is unable to pay the expense of treatment, in which case the expense shall be paid from the appropriation for the enforcement of the laws regulating immigration of aliens into the United States. (Feb. 5, 1917, ch. 29, § 22, 39 Stat. 891; Reorg. Plan No. V, eff. June 14, 1940, 5 Fed. Reg. 2423, 54 Stat. 1238.)

§ 160. Landing stations for alien passengers transported from Canada or Mexico.

No person, company, or transportation line engaged in carrying alien passengers for hire from Canada or Mexico to the United States, whether by land or water, shall be allowed to land any such passengers in the United States without providing suitable and approved landing stations, conveniently located, at the point or points of entry. The Commissioner of Immigration and Naturalization is hereby authorized and empowered to prescribe the conditions, not inconsistent with law, under which the above-mentioned landing stations shall be deemed suitable within the meaning of this section. Any person,

company, or transportation line landing an alien passenger in the United States without compliance with the requirement herein set forth shall be deemed to have violated section 144 of this title, and upon conviction shall be subject to the penalty therein prescribed. (Feb. 5, 1917, ch. 29, § 23, 39 Stat. 892; Ex. Ord. No. 6166, § 14, June 10, 1933.)

§ 161. Interior immigrant stations.

For the purpose of making effective the provisions of section 102 of this title relating to the protection of aliens from fraud and loss, and also the provisions of section 105 of this title relating to the distribution of aliens, the Attorney General shall establish and maintain immigrant stations at such interior places as may be necessary, and, in the discretion of the Attorney General, aliens in transit from ports of landing to such interior stations shall be accompanied by immigrant inspectors. (Feb. 5, 1917, ch. 29, § 23, 39 Stat. 892; Reorg. Plan No. V, eff. June 14, 1940, 5 Fed. Reg. 2423, 54 Stat. 1238.)

§ 162. Discrimination in rules and contracts for entry and inspection of aliens.

In prescribing rules and making contracts for the entry and inspection of aliens applying for admission from or through foreign contiguous territory, due care shall be exercised to avoid any discriminatory action in favor of foreign transportation companies transporting to such territory aliens destined to the United States, and all such transportation companies shall be required, as a condition precedent to the inspection or examination under such rules and contracts at the ports of such contiguous territory of aliens brought thereto by them, to submit to and comply with all the requirements of this chapter which would apply were they bringing such aliens directly to seaports of the United States, and no alien applying for admission from foreign contiguous territory shall be permitted to enter the United States unless upon proving that he was brought to such territory by a transportation company which had submitted to and complied with all the requirements of this chapter, or that he entered or has resided in, such territory more than two years prior to the date of his application for admission to the United States. (Feb. 5, 1917, ch. 29, § 23, 39 Stat. 893.)

§ 167. Control of alien seamen—(a) Detention of seamen on board vessel until after inspection; detention or deportation; penalty; clearance to vessels.

The owner, charterer, agent, consignee, or master of any vessel arriving in the United States from any place outside thereof who fails to detain on board any alien seaman employed on such vessel until the immigration officer in charge at the port of arrival has inspected such seaman (which inspection in all cases shall include a personal physical examination by the medical examiners), or who fails to detain such seaman on board after such inspection or to deport such seaman if required by such immigration officer or the Attorney General to do so, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of $1,000 for each alien seaman in respect of whom such failure occurs. No vessel shall be granted clearance pending the determination of the liability to the payment of such fine, or while the fine remains unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(b) Prima facie evidence of failure to detain or deport.

(c) Deportation; procedure.

If the Attorney General finds that deportation of the alien seaman on the vessel on which he arrived would cause undue hardship to such seaman he may cause him to be deported on another vessel at the expense of the vessel on which he arrived, and such vessel shall not be granted clearance until such expense has been paid or its payment guaranteed to the satisfaction of the Attorney General. (May 26, 1924, ch. 190, § 20 (a-c), 43 Stat. 164; Reorg. Plan No. V, eff. June 14 1940, 5 Fed. Reg. 2423, 54 Stat. 1238.)

It shall be unlawful to pay off or discharge any alien employed on board any vessel arriving in the United States from any foreign port or place, unless duly admitted pursuant to the laws and treaties of the United States regulating the immigration of aliens. In case any such alien intends to reship on board any other vessel bound to any foreign port or place, he shall be allowed to land for the purpose of so reshipping, under such regulations as the Attorney General may prescribe to prevent aliens not admissible under any law, convention, or treaty from remaining permanently in the United States, and may be paid off, discharged, and permitted to remove his effects, anything in such laws or treaties or in this chapter to the contrary notwithstanding, provided due notice of such proposed action be given by the master or the seaman himself to the principal immigration officer in charge at the port of arrival. § 169. Employment on passenger vessels of aliens afflicted with idiocy, etc.

It shall be unlawful for any vessel carrying passengers between a port of the United States and a port of a foreign country, upon arrival in the United States, to have on board employed thereon any alien afflicted with idiocy, imbecility, insanity, epilepsy, tuberculosis in any form, or a loathsome or dangerous contagious disease, if it appears to the satisfaction of the Attorney General, from an examination made by a medical officer of the United States Public Health Service, and is so certified by such officer, that any such alien was so afflicted at the time he was shipped or engaged and taken on board such vessel and that the existence of such affliction might have been detected by means of a competent medical examination at such time; and for every such alien so afflicted on board any such vessel at the time of arrival the owner, agent, consignee, or master thereof shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of $50, and pending

departure of the vessel the alien shall be detained and treated in hospital under supervision of immigration officials at the expense of the vessel; and no vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine and while it remains unpaid; but clearance may be granted prior to the determination of such question upon the deposit of a sum sufficient to cover such fine. Such fine may, in the discretion of the Attorney General, be mitigated or remitted. (Feb. 5, 1917, ch. 29, § 35, 39 Stat. 896; Reorg. Plan No. V, eff. June 14, 1940, 5 Fed. § 170. Treatment in hospitals of alien seamen afflicted with certain diseases.

Alien seamen found on arrival in ports of the United States to be afflicted with any of the disabilities or diseases mentioned in section 169 of this title shall be placed in a hospital designated by the immigration official in charge at the port of arrival and treated, all expenses connected therewith, including burial in the event of death, to be borne by the owner, agent, consignee, or master of the vessel, and not to be deducted from the seamen's wages, and no such vessel shall be granted clearance until such expenses are paid or their payment appropriately guaranteed and the collector of customs so notified by the immigration official in charge. Alien seamen suspected of being afflicted with any such disability or disease may be removed from the vessel on which they arrive to an immigration station or other appropriate place for such observation as will enable the examining surgeons definitely to determine whether or not they are so afflicted, all expenses connected therewith to be borne in the manner hereinbefore prescribed. In cases in which it shall appear to the satisfaction of the immigration and naturalization official in charge that it will not be possible within a reasonable time to effect a cure, the return of the alien seamen shall be enforced on or at the expense of the vessel on which they came, upon such conditions as the Commissioner of Immigration and Naturalization, with the approval of the Attorney General, shall prescribe, to insure that the aliens shall be properly cared for and protected, and that the spread of contagion shall be guarded against. (Dec. 26, 1920, ch. 4, 41 Stat. 1082; Ex. Ord. No. 6166, § 14, June 10, 1933; Reorg. Plan No. V, eff. June 14, 1940, 5 Fed. Reg. 2423, 54 Stat. 1238.)

§ 171. Lists of aliens employed on vessels arriving from foreign ports; reports of aliens illegally landed.

Upon arrival of any vessel in the United States from any foreign port or place it shall be the duty of the owner, agent, consignee, or master thereof to deliver to the principal immigration and naturalization officer in charge of the port of arrival lists containing the names of all aliens employed on such vessel, stating the positions they respectively hold in the ship's company, when and where they were respectively shipped or engaged, and specifying those to be paid off and discharged in the port of arrival; or lists containing so much of such information as the Attorney General shall by regulation prescribe; and after the arrival of any such vessel it shall be the duty of such owner, agent, consignee, or master to report to such immigration and naturalization officer, in writing, as soon as discovered, all cases in which any such alien has illegally landed from the vessel, giving a description of such alien, together with any information likely to lead to his apprehension; and before the departure of any such vessel it shall be the duty of such owner, agent, consignee, or master to deliver to such immigration and naturalization officer a further list containing the names of all alien employees who were not employed thereon at the time of the arrival but who will leave port thereon at the time of her departure, and also the names of those, if any, who have been paid off and discharged, and of those, if any, who have deserted or landed; and in case of the failure of such owner, agent, consignee, or master so to deliver either of the said lists of such aliens arriving and departing, respectively, or so to report such cases of desertion or landing, such owner, agent, consignee, or master shall, if required by the Attorney General, pay to the collector of customs of the customs district in which the port of arrival is located the sum of $10 for each alien concerning whom correct lists are not delivered or a true report is not made as above required. No such vessel shall be granted clearance pending the determination of the question of the liability to the payment of such fine, and, in the event such fine is imposed, while it remains unpaid; nor shall such fine be remitted or refunded. Clearance may be granted prior to the determination of such question upon deposit of a sum sufficient to cover such fine. (Feb. 5, 1917, ch. 29, § 36, 39 Stat. 896; Ex. Ord. No. 6166, § 14, June 10, 1933; Reorg. Plan No. V, eff. June 14, 1940, 5 Fed. Reg. 2423, 54 Stat. 1238.)

§ 201. Citation.

The act of May 26, 1924, ch. 190, 43 Stat. 153 may be cited as the "Immigration Act of 1924." (May 26, 1924, ch. 190, § 1, 43 Stat. 153.)

The Immigration Act of 1924, to which reference is made in this section, was incorporated in the code as sections 145, 146, 166, 167, 179, 201–204, 205–213, 214–220, and 229 of this title.

§ 202. Immigration visas—(a) Authority to issue; contents.

A consular officer upon the application of any immigrant (as defined in the following section) may (under the conditions hereinafter prescribed and subject to the limitations prescribed in this subchapter or regulations made thereunder as to the number of immigration visas which may be issued by such officer) issue to such immigrant an immigration visa which shall consist of one copy of the application provided for in section 207 of this title, visaed by such consular officer. Such visa shall specify (1) the nationality of the immigrant; (2) whether he is

a quota immigrant (as defined in section 205 of this title) or a non-quota immigrant (as defined in section 204 of this title); (3) the date on which the validity of the immigration visa shall expire; and (4) such additional information necessary to the proper enforcement of the immigration laws and the naturalization laws as may be by regulations prescribed.

(h) Photograph of immigrant.

The immigrant shall furnish two copies of his photograph to the consular officer. One copy shall be permanently attached by the consular officer to the immigration visa and the other copy shall be disposed of as may be by regulations prescribed.

(c) Period of validity of visa.

The validity of an immigration visa shall expire at the end of such period, specified in the immigration visa, not exceeding four months, as shall be by regulations prescribed. In the case of an immigrant arriving in the United States by water, or arriving by water in foreign contiguous territory on a continuous voyage to the United States, if the vessel, before the expiration of the validity of his immigration visa, departed from the last port outside the United States and outside foreign contiguous territory at which the immigrant embarked, and if the immigrant proceeds on a continuous voyage to the United States, then, regardless of the time of his arrival in the United States, the validity of his immigration visa shall not be considered to have expired.

(d) Notation on passport of number of visa.

If an immigrant is required by any law, or regulations or orders made pursuant to law, to secure the visa of his passport by a consular officer before being permitted to enter the United States, such immigrant shall not be required to secure any other visa of his passport than the immigration visa issued under this subchapter, but a record of the number and date of his immigration visa shall be noted on his passport without charge therefor. This subdivision shall not apply to an immigrant who is relieved, under subdivision (b) of section 213 of this title, from obtaining an immigration visa.

(e) Entry on manifests or passenger lists of data concerning visas; surrender of visas at ports of inspection and transmittal to Department of Justice.

The manifest or list of passengers required by the immigration laws shall contain a place for entering thereon the date, place of issuance, and number of the immigration visa of each immigrant. The immigrant shall surrender his immigration visa to the immigration officer at the port of inspection, who shall at the time of inspection indorse on the immigration visa the date, the port of entry, and the name of the vessel, if any, on which the immigrant arrived. The immigration visa shall be transmitted forthwith by the immigration and naturalization officer in charge at the port of inspection to the Department of Justice under regulations prescribed by the Attorney General.

(f) Visas not to be issued, when.

No immigration visa shall be issued to an immigrant if it appears to the consular officer, from statements in the application, or in the papers submitted therewith, that the immigrant is inadmissible to the United States under the immigration laws, nor shall such immigration visa be issued if the application fails to comply with the provisions of this subchapter, nor shall such immigration visa be issued if the consular officer knows or has reason to believe that the immigrant is inadmissible to the United States under the immigration laws.

(g) Visas not to entitle inadmissible aliens to entry.

Nothing in this chapter shall be construed to entitle an immigrant, to whom an immigration visa has been issued, to enter the United States, if, upon arrival in the United States, he is found to be inadmissible to the United States under the immigration laws. The substance of this subdivision shall be printed conspicuously upon every immigration visa.

(h) Fee for visa.

A fee of $9 shall be charged for the issuance of each immigration visa, which shall be covered into the Treasury as miscellaneous receipts.

(i) Reduction or abolition of visa fees.

Notwithstanding existing law fixing the fees to be collected for visas of passports of aliens and for executing applications for such visas, the President is authorized, to the extent consistent with the public interest, to reduce such fees or to abolish them altogether, in the case of any class of aliens desiring to visit the United States who are not "immigrants" as defined in this subchapter, and who are citizens or subjects of countries which grant similar privileges to citizens of the United States of a similar class visiting such countries. (May 26, 1924, ch. 190, § 2, 43 Stat. 153; Feb. 25, 1925, ch. 316, 43 Stat. 976; Ex. Ord. No. 6166, § 14, June 10, 1933; Reorg. Plan No. V, eff. June 14, 1940, 5 Fed. Reg. 2423, 54 Stat. 1238.)

In the original "this chapter" reads "this Act," meaning act May 26, 1924, cited to text. For distribution of said act in this code, see note under section 201 of this title.

§ 209. Visas of nonquota and preferred immigrants—(a) Authority to issue.

In case of any immigrant claiming in his application for an immigration visa to be a nonquota immigrant by reason of relationship under the provisions of subdivision (a) of section 204 of this title, or to be entitled to preference by reason of relationship to a citizen of the United States under the provisions of section 206 of this title, the consular officer shall not issue such immigration visa or grant such preference until he has been authorized to do so as hereinafter in this section provided.

(b) Persons entitled to; petition for; form and contents.

Any citizen of the United States claiming that any immigrant is his relative, and that such immigrant is properly admissible to the United States as a nonquota immigrant under the provisions of subdivision (a) of section 204 of this title or is entitled to preference as a relative under section 206 of this title, may file with the Commissioner of Immigration and Naturalization a petition in such form as may be by regulations prescribed, stating (1) the petitioner's name and address; (2) if a citizen by birth, the date and place of his birth; (3) if a naturalized citizen, the date and place of his admission to citizenship and the number of his certificate, if any; (4) the name and address of his employer or the address of his place of business or occupation if he is not an employee; (5) the degree of the relationship of the immigrant for whom such petition is made, and the names of all the places where such immigrant has resided prior to and at the time when the petition is filed; (6) that the petitioner is able to and will support the immigrant if necessary to prevent such immigrant from becoming a public charge; and (7) such additional information necessary to the proper enforcement of the immigration laws and the naturalization laws as may be by regulations prescribed.

(c) Verification of petition; documentary evidence accompanying.

The petition shall be made under oath administered by any individual having power to administer oaths, if executed in the United States, but, if executed outside the United States, administered by a consular officer. The petition shall be supported by any documentary evidence required by regulations prescribed under this chapter. Application may be made in the same petition for admission of more than one individual.

(d) Supporting statements accompanying.

The petition shall be accompanied by the statements of two or more responsible citizens of the United States, to whom the petitioner has been personally known for at least one year, that to the best of their knowledge and belief the statements made in the petition are true and that the petitioner is a responsible individual able to support the immigrant or immigrants for whose admission application is made. These statements shall be attested in the same way as the petition.

(e) Action of Commissioner, Attorney General, and Secretary of State.

If the Commissioner of Immigration and Naturalization finds the facts stated in the petition to be true, and that the immigrant in respect of whom the petition is made is entitled to be admitted to the United States as a nonquota immigrant under subdivision (a) of section 204 of this title or is entitled to preference as a relative under section 206 of this title, he shall, with the approval of the Attorney General inform the Secretary of State of his decision, and the Secretary of State shall then authorize the consular officer with whom the application for the immigration visa has been filed to issue the immigration visa or grant the preference.

(f) Effect on rights of nonquota immigrants.

Nothing in this section shall be construed to entitle an immigrant, in respect of whom a petition under this section is granted, either to enter the United States as a nonquota immigrant if, upon arrival in the United States, he is found not to be a nonquota immigrant, or to enter the United States as a preference-quota immigrant if, upon arrival in the United States, he is found not to be a preference-quota immigrant. (May 26, 1924, ch. 190, § 9, 43 Stat. 157; Ex. Ord. No. 6166, § 14, eff. June 10, 1933; May 14, 1937, ch. 182, § 1, 50 Stat. 164; Reorg. Plan No. V, eff. June 14, 1940, 5 Fed. Reg. 2423, 54 Stat. 1238.)

§ 210. Reentry permits—(a) Persons entitled to; application; form and contents; verification; photograph accompanying.

Any alien about to depart temporarily from the United States may make application to the Commissioner of Immigration and Naturalization for a permit to reenter the United States, stating the length of his intended absence, and the reasons therefor. Such application shall be made under oath, and shall be in such form and contain such information as may be by regulations prescribed, and shall be accompanied by two copies of the applicant's photograph.

(b) Issue by Commissioner with approval of Attorney General; life of permit; form and contents of permit; photograph attached.

If the Commissioner of Immigration and Naturalization finds that the alien has been legally admitted to the United States, and that the application is made in good faith, he shall, with the approval of the Attorney General, issue the permit, specifying therein the length of time, not exceeding one year, during which it shall be valid. The permit shall be in such form as shall be by regulations prescribed and shall

have permanently attached thereto the photograph of the alien to whom issued, together with such other matter as may be deemed necessary for the complete identification of the alien.

(c) Extension of life of permit.

On good cause shown the validity of the permit may be extended for such period or periods, not exceeding six months each, and under such conditions, as shall be by regulations prescribed.

(d) Fee for permit.

For the issuance of the permit, and for each extension thereof, there shall be paid a fee of $3, which shall be covered into the Treasury as miscellaneous receipts.

(e) Surrender of permit on return to United States.

Upon the return of the alien to the United States the permit shall be surrendered to the immigration officer at the port of inspection.

(f) Effect of permit on rights of alien.

A permit issued under this section shall have no effect under the immigration laws, except to show that the alien to whom it is issued is returning from a temporary visit abroad; but nothing in this section shall be construed as making such permit the exclusive means of establishing that the alien is so returning. (May 26, 1924, ch. 190, § 10, 43 Stat. 158; Ex. Ord. No. 6166, § 14, June 10, 1933; Reorg. Plan No. V, eff. June 14, 1940, 5 Fed. Reg. 2423, 54 Stat. 1238.)

§ 211. Immigration quotas; determination of national origin—(a) Annual quota based on nationality; national origin; minimum quota.

The annual quota of any nationality shall be 2 per centum of the number of foreign-born individuals of such nationality resident in continental United States as determined by the United States census of 1890, but the minimum quota of any nationality shall be one hundred.

(b) Annual quota for fiscal year beginning July 1, 1929; minimum quota.

The annual quota of any nationality for the fiscal year beginning July 1, 1929, and for each fiscal year thereafter, shall be a number which bears the same ratio to one hundred and fifty thousand as the number of inhabitants in continental United States in 1920 having that national origin (ascertained as provided in this section) bears to the number of inhabitants in continental United States in 1920, but the minimum quota of any nationality shall be one hundred.

(c) Determination of national origin.

For the purpose of subdivision (b) national origin shall be ascertained by determining as nearly as may be, in respect of each geographical area which under section 212 of this title is to be treated as a separate country (except the geographical areas specified in subdivision (c) of section 204 of this title), the number of inhabitants in continental United States in 1920 whose origin by birth or ancestry is attributable to such geographical area. Such determination shall not be made by tracing the ancestors or descendants of particular individuals, but shall be based upon statistics of immigration and emigration, together with rates of increase of population as shown by successive decennial United States censuses, and such other data as may be found to be reliable.

(d) Inhabitants in continental United States in 1920.

For the purpose of subdivisions (b) and (c) the term "inhabitants in continental United States in 1920" does not include (1) immigrants from the geographical areas specified in subdivision (c) of section 204 of this title or their descendants, (2) aliens ineligible to citizenship or their descendants, (3) the descendants of slave immigrants, or (4) the descendants of American aborigines.

(e) Determination of national origin; by whom made; procedure; presidential proclamation of quotas to be made on or before April 1, 1929.

The determination provided for in subdivision (c) of this section shall be made by the Secretary of State, the Secretary of Commerce, and the Attorney General, jointly. In making such determination such officials may call for information and expert assistance from the Bureau of the Census. Such officials shall, jointly, report to the President the quota of each nationality, determined as provided in subdivision (b), and the President shall proclaim and make known the quotas so reported. Such proclamation shall be made on or before April 1, 1929. If the proclamation is not made on or before such date, quotas proclaimed therein shall not be in effect for any fiscal year beginning before the expiration of ninety days after the date of the proclamation. After the making of a proclamation under this subdivision the quotas proclaimed therein shall continue with the same effect as if specifically stated herein, and shall be final and conclusive for every purpose except (1) insofar as it is made to appear to the satisfaction of such officials and proclaimed by the President, that an error of fact has occurred in such determination or in such proclamation, or (2) in the case provided for in subdivision (c) of section 212 of this title. If for any reason quotas proclaimed under this subdivision are not in effect for any fiscal year, quotas for such year shall be determined under subdivision (a) of this section.

(f) Immigration visas limited to quotas; monthly issue.

There shall be issued to quota immigrants of any nationality (1) no more immigration visas in any fiscal year than the quota for such nationality, and (2) in any calendar month of any fiscal year no more immigration visas than 10 per centum of the quota for such nationality, except that if such quota is less than 300 the number to be issued in any calendar month shall be prescribed by the Commissioner of Immigration and Naturalization, with the approval of the Attorney General, but the total number to be issued during the fiscal year shall not be in excess of the quota for such nationality.

(g) Issue of visa to nonquota immigrant as quota immigrant.

Nothing in this chapter shall prevent the issuance (without increasing the total number of immigration visas which may be issued) of an immigration

visa to an immigrant as a quota immigrant even though he is a nonquota immigrant. (May 26, 1924, ch. 190, § 11, 43 Stat. 159; Mar. 4, 1927, ch. 514, 44 Stat. 1455; Mar. 31, 1928, ch. 306, 45 Stat. 400; Ex. Ord. No. 6166, § 14, June 10, 1933; Reorg. Plan No. V, eff. § 212. Same; determination of nationality; reports—(a) Country of birth; nationality of married persons; children.

For the purposes of this chapter nationality shall be determined by country of birth, treating as separate countries the colonies, dependencies, or self-governing dominions, for which separate enumeration was made in the United States census of 1890; except that (1) the nationality of a child under twenty-one years of age not born in the United States, accompanied by its alien parent not born in the United States, shall be determined by the country of birth of such parent if such parent is entitled to an immigration visa, and the nationality of a child under twenty-one years of age not born in the United States, accompanied by both alien parents not born in the United States, shall be determined by the country of birth of the father if the father is entitled to an immigration visa; and (2) if a wife is of a different nationality from her alien husband and the entire number of immigration visas which may be issued to quota immigrants of her nationality for the calendar month has already been issued, her nationality may be determined by the country of birth of her husband if she is accompanying him and he is entitled to an immigration visa, unless the total number of immigration visas which may be issued to quota immigrants of the nationality of the husband for the calendar month has already been issued. An immigrant born in the United States who has lost his United States citizenship shall be considered as having been born in the country of which he is a citizen or subject, or if he is not a citizen or subject of any country, then in the country from which he comes.

(b) Statement of resident individuals of various nationalities.

The Secretary of State, the Secretary of Commerce, and the Attorney General, jointly, shall prepare a statement showing the number of individuals of the various nationalities resident in continental United States as determined by the United States census of 1890, which statement shall be the population basis for the purposes of subdivision (a) of section 211 of this title. In the case of a country recognized by the United States, but for which a separate enumeration was not made in the census of 1890, the number of individuals born in such country and resident in continental United States in 1890, as estimated by such officials jointly, shall be considered for the purposes of subdivision (a) of said section 211 as having been determined by the United States census of 1890. In the case of a colony or dependency existing before 1890, but for which a separate enumeration was not made in the census of 1890 and which was not included in the enumeration for the country to which such colony or dependency belonged, or in the case of territory administered under a protectorate, the number of individuals born in such colony, dependency, or territory, and resident in continental United States in 1890, as estimated by such officials jointly, shall be considered for the purposes of subdivision (a) of said section 211 as having been determined by the United States census of 1890 to have been born in the country to which such colony or dependency belonged or which administers such protectorate.

(c) Effect of changes in political boundaries in foreign countries.

In case of changes in political boundaries in foreign countries occurring subsequent to 1890 and resulting in the creation of new countries, the Governments of which are recognized by the United States, or in the establishment of self-governing dominions, or in the transfer of territory from one country to another, such transfer being recognized by the United States, or in the surrender by one country of territory, the transfer of which to another country has not been recognized by the United States, or in the administration of territories under mandates, (1) such officials, jointly, shall estimate the number of individuals resident in continental United States in 1890 who were born within the area included in such new countries or self-governing dominions or in such territory so transferred or surrendered or administered under a mandate, and revise (for the purposes of subdivision (a) of section 211 of this title) the population basis as to each country involved in such change of political boundary, and (2) if such changes in political boundaries occur after the determination provided for in subdivision (c) of said section 211 has been proclaimed, such officials, jointly, shall revise such determination, but only so far as necessary to allot the quotas among the countries involved in such change of political boundary. For the purpose of such revision and for the purpose of determining the nationality of an immigrant, (A) aliens born in the area included in any such new country or self-governing dominion shall be considered as having been born in such country or dominion, and aliens born in any territory so transferred shall be considered as having been born in the country to which such territory was transferred, and (B) territory so surrendered or administered under a mandate shall be treated as a separate country. Such treatment of territory administered under a mandate shall not constitute consent by the United States to the proposed mandate where the United States has not consented in a treaty to the administration of the territory by a mandatory power.

(d) Statements, etc., made annually.

The statements, estimates, and revisions provided in this section shall be made annually, but for any fiscal year for which quotas are in effect as proclaimed under subdivision (e) of section 211 of this title, shall be made only (1) for the purpose of determining the nationality of immigrants seeking

admission to the United States during such year, or (2) for the purposes of clause (2) of subdivision (c) of this section.

(e) Annual report to President of quota of nationalities; proclamation of quotas.

Such officials shall, jointly, report annually to the President the quota of each nationality under subdivision (a) of section 211 of this title, together with the statements, estimates, and revisions provided for in this section. The President shall proclaim and make known the quotas so reported and thereafter such quotas shall continue, with the same effect as if specifically stated herein, for all fiscal years except those years for which quotas are in effect as proclaimed under subdivision (e) of section 211 of this title, and shall be final and conclusive for every purpose. (May 26, 1924, ch. 190, § 12, 43 Stat. 160; Reorg. Plan No. V, eff. June 14, 1940, 5 Fed. Reg 2423, 54 Stat. 1238.)

§ 213. Compliance with immigration requirements; persons ineligible to citizenship; penalties—(a) Persons not to be admitted.

No immigrant shall be admitted to the United States unless he (1) has an unexpired immigration visa or was born subsequent to the issuance of the immigration visa of the accompanying parent; (2) is of the nationality specified in the visa in the immigration visa; (3) is a nonquota immigrant if specified in the visa in the immigration visa as such; (4) is a preference-quota immigrant if specified in the visa in the immigration visa as such; and (5) is otherwise admissible under the immigration laws.

(b) Readmission of legally admitted aliens who have temporarily departed without visas.

In such classes of cases and under such conditions as may be by regulations prescribed immigrants who have been legally admitted to the United States and who depart therefrom temporarily may be admitted to the United States without being required to obtain an immigration visa.

(c) Aliens ineligible to citizenship.

No alien ineligible to citizenship shall be admitted to the United States unless such alien (1) is admissible as a nonquota immigrant under the provisions of subdivision (b), (d), or (e) of section 204 of this title, or (2) is the wife, or the unmarried child under 18 years of age, of an immigrant admissible under such subdivision (d), and is accompanying or following to join him, (3) is not an immigrant as defined in section 203 of this title, or (4) is the Chinese wife of an American citizen who was married prior to May 26, 1924.

(d) Aliens inadmissible under clauses 2 and 3 of subdivision (a) of this section.

The Attorney General may admit to the United States any otherwise admissible immigrant not admissible under clause (2) or (3) of subdivision (a) of this section, if satisfied that such inadmissibility was not known to, and could not have been ascertained by the exercise of reasonable diligence by, such immigrant prior to the departure of the vessel from the last port outside the United States and outside foreign contiguous territory, or, in the case of an immigrant coming from foreign contiguous territory, prior to the application of the immigrant for admission.

(e) Same; exhaustion of permitted visas issuable to quota immigrants.

No quota immigrant shall be admitted under subdivision (d) if the entire number of immigration visas which may be issued to quota immigrants of the same nationality for the fiscal year has already been issued. If such entire number of immigration visas has not been issued, then the Secretary of State, upon the admission of a quota immigrant under subdivision (d), shall reduce by one the number of immigration visas which may be issued to quota immigrants of the same nationality during the fiscal year in which such immigrant is admitted; but if the Secretary of State finds that it will not be practicable to make such reduction before the end of such fiscal year, then such immigrant shall not be admitted.

(f) Fines not to be remitted or refunded.

Nothing in this section shall authorize the remission or refunding of a fine, liability to which has accrued under section 216 of this title. (May 26, 1924, ch. 190, § 13, 43 Stat. 161; June 13, 1930, ch. 476, 46 Stat. 581; May 14, 1937, ch. 187, § 2, 50 Stat. 165; Reorg. Plan No. V, eff. June 14, 1940, 5 Fed. Reg. 2423, 54 Stat. 1238.)

§ 213a. Deportation of alien securing visa through fraudulent marriage.

Any alien who at any time after entering the United States is found to have secured either nonquota or preference-quota visa through fraud, by contracting a marriage which, subsequent to entry into the United States, has been judicially annulled retroactively to date of marriage, shall be taken into custody and deported pursuant to the provisions of section 214 of this title on the ground that at time of entry he was not entitled to admission on the visa presented upon arrival in the United States. This section shall be effective whether entry was made before or after May 14, 1937.

When it appears that the immigrant fails or refuses to fulfill his promises for a marital agreement made to procure his entry as an immigrant he then becomes immediately subject to deportation. (May 14, 1937, ch. 182, § 3, 50 Stat. 165.)

§ 214. Deportation; procedure; alien children under age of sixteen.

Any alien who at any time after entering the United States is found to have been at the time of entry not entitled under this chapter to enter the United States, or to have remained therein for a longer time than permitted under this chapter or regulations made thereunder, shall be taken into custody and deported in the same manner as provided for in sections 155 and 156 of this title. The Attorney General may, under such conditions and restrictions as to support and care as he may deem necessary, permit permanently to remain in the

United States, any alien child who, when under sixteen years of age was prior to May 26, 1924, temporarily admitted to the United States and who was within the United States on that date, and either of whose parents was a citizen of the United States. (May 26, 1924, ch. 190, § 14, 43 Stat. 162; Reorg. Plan No. V, eff. June 14, 1940, 5 Fed. Reg. 2423, 54 Stat. 1238.)

The admission to the United States of an alien excepted from the class of immigrants by clause (1), (2), (3), (4), (5), or (6) of section 203 of this title, or declared to be a nonquota immigrant by subdivision (e) of section 204 of this title, shall be for such time and under such conditions as may be by regulations prescribed (including, when deemed necessary for the classes mentioned in clause (2), (3), (4), or (6) of section 203 of this title and subdivision (e) of section 204 of this title, the giving of bond with sufficient surety, in such sum and containing such conditions as may be by regulations prescribed) to insure that, at the expiration of such time or upon failure to maintain the status under which admitted, he will depart from the United States: *Provided*, That no alien who has been, or who may hereafter be, admitted into the United States under clause (1) of section 203 of this title, as an official of a foreign government, or as a member of the family of such official, shall be required to depart from the United States without the approval of the Secretary of State. § 216. Unlawful bringing of alien into United States by water; penalty; amount; clearance to vessels; remission or refundment.

(a) It shall be unlawful for any person, including any transportation company, or the owner, master, agent, charterer, or consignee of any vessel, to bring to the United States by water from any place outside thereof (other than foreign contiguous territory) (1) any immigrant who does not have an unexpired immigration visa, or (2) any quota immigrant having an immigration visa the visa in which specifies him as a nonquota immigrant.

(b) If it appears to the satisfaction of the Attorney General that any immigrant has been so brought such person or transportation company, or the master, agent, owner, charterer, or consignee of any such vessel, shall pay to the collector of customs of the customs district in which the port of arrival is located the sum of $1,000 for each immigrant so brought, and in addition a sum equal to that paid by such immigrant for his transportation from the initial point of departure, indicated in his ticket, to the port of arrival, such latter sum to be delivered by the collector of customs to the immigrant on whose account assessed. No vessel shall be granted clearance pending the determination of the liability to the payment of such sums, or while such sums remain unpaid, except that clearance may be granted prior to the determination of such question upon the deposit of an amount sufficient to cover such sums, or of a bond with sufficient surety to secure the payment thereof approved by the collector of customs.

(c) Such sums shall not be remitted or refunded, unless it appears to the satisfaction of the Attorney General that such person, and the owner, master, agent, charterer, and consignee of the vessel, prior to the departure of the vessel from the last port outside the United States, did not know, and could not have ascertained by the exercise of reasonable diligence, (1) that the individual transported was an immigrant, if the fine was imposed for bringing an immigrant without an unexpired immigration visa, or (2) that the individual transported was a quota immigrant, if the fine was imposed for bringing a quota immigrant the visa in whose immigration visa specified him as being a nonquota immigrant. § 217. Contracts with transportation lines; rules and regulations; entry from contiguous territory.

The Commissioner of Immigration and Naturalization, with the approval of the Attorney General, shall have power to enter into contracts with transportation lines for the entry and inspection of aliens coming to the United States from or through foreign contiguous territory. In prescribing rules and regulations and making contracts for the entry and inspection of aliens applying for admission from or through foreign contiguous territory due care shall be exercised to avoid any discriminatory action in favor of transportation companies transporting to such territory aliens destined to the United States, and all such transportation companies shall be required, as a condition precedent to the inspection or examination under such rules and contracts at the ports of such contiguous territory of aliens brought thereto by them, to submit to and comply with all the requirements of this chapter which would apply were they bringing such aliens directly to ports of the United States. No alien applying for admission from or through foreign contiguous territory (except an alien previously lawfully admitted to the United States who is returning from a temporary visit to such territory) shall be permitted to enter the United States unless upon proving that he was brought to such territory by a transportation company which had submitted to and complied with all the requirements of this chapter, or that he entered, or has resided in, such territory more than two years prior to the time of his application for admission to the United States.
